Subject: MiCAR Compliance Declaration for the SlenosVibe (SVIBE) Project

Dear Avalaunch Team,

We hereby confirm that SLENOS SRL STARTUP INNOVATIVA, a limited liability company legally registered in Italy and represented by the undersigned Andrea Cesaretti, in his capacity as Sole Director, is the legal entity responsible for the issuance and public offering of the SVIBE token associated with the SlenosVibe project.

1. Company Registration

Our company is duly registered with the Chamber of Commerce of Romagna, Forlì-Cesena and Rimini, Italy, as an innovative startup since October 16, 2020. A recent company registration certificate (Visura Camerale) is attached.

2. Compliance with Regulation (EU) 2023/1114 (MiCAR)

We confirm that the SlenosVibe project and the SVIBE token comply with the provisions of Regulation (EU) 2023/1114 on Markets in Crypto-Assets (MiCAR), ensuring transparency, investor protection, and adherence to applicable European law.

3. MiCAR Article 4(2) Exemption

As the total public offering does not exceed EUR 1,000,000 over a 12-month period, this token offering qualifies for exemption under Article 4(2) of MiCAR. Consequently, no formal notification to the competent authority is required.

4. Future Legal Commitments

We are committed to full regulatory compliance and are prepared to provide any additional documentation or legal verification upon request by Avalaunch or the relevant authorities. All executive team members are available for full KYC/AML procedures.

We appreciate your attention and remain at your disposal for any further information you may require.

Sincerely,

Andrea Cesaretti
Sole Director
